Society for The Protection Of Unborn Children

Pro-abortion MPs in Parliament want to stop pregnant women getting help outside abortion clinics by calling for buffer zones. SPUC is campaigning to save the right for peaceful pro-life vigils to take place. Hundreds of children are alive today in this country because their mother met a loving pro-life person just before they walked into the abortion clinic. We must protect this vital work. Please sign our petition to save the right to save lives. It only takes a minute of your time, but it could mean a lifetime for an unborn baby.
